## COACH PACKET

**TEAMS ARE DEPENDENT ON VOLUNTEER  
COACHES...**

**WITHOUT A COACH THE KIDS CAN'T PLAY!  
HELP MAKE A DIFFERENCE IN THE HEIDELBERG  
COMMUNITY IN A POSITIVE WAY.**

**WHO CAN COACH?** Any Adult , ages 18 or above. All coaches must attend the NYSCA Coaches Certification clinic prior to coaching a team. All individuals working with or volunteering for the Child, Youth & School Services (CYSS) Sports must complete a coaching packet and background checks.

**WHAT SKILLS DO I NEED TO COACH?**

Although it helps a great deal... You don't need to know the Sports initially to coach a team. Training and assistance can be attained from the CYSS Sports staff. We provide equipment and uniforms for each team.

We are not looking for the win at all cost coach...we desire those who teach the fundamentals of the game and place a high emphasis on sportsmanship, teamwork, proper work ethics and a good example.

Practices in general are held twice a week for most teams and skill levels, with games normally played on Saturdays.

Parents are required to sign for the use of uniforms from the coach. Uniforms will be collected by the coach at the end of the season.

**MAY I COACH MY CHILD?** Absolutely As a benefit your child will not be charged a registration fee for the sport you coach. However you should be sensitive to the added stress associated with coaching your child. Attempt to treat your child in the same manner that you treat other players. Do not place added pressure on your own child.

**COACHES INFORMATION:** Head Coach notification will be posted at the CYSS Sports Office. Coaches Certification training is mandatory for all Head Coaches and Assistant Coaches. Certification training is pre announced and listed on the flyer for each specific sport..

**HOW SHOULD I DRESS:** Coaches should always dress appropriately for the sports that they're coaching We recommend you wear your CYSS Issued coach's shirt whenever possible.
