# The Edge!

## Archery Antics

This activity will teach basic archery skills and safety while building up arm strength and eye to target coordination.

## Studio Productions - Rock Band

Part 1 - Youth will practice the Rock Band game and learn a song to turn into a video.

## Bowlerama Bonanza

This is the only activity in town that allows youth to hone their bowling skills as they prepare to join YABA and/or CYSF bowling leagues and compete in tournaments. This is the only activity that has two activity days each week. Youth must register for each day. The activity has grown to be an instructional bowling league.

## Studio Production - iMAC Music

Part 2 - Using the iMAC computer youth will learn to write music and put it to instruments to create their own song.

## Engineering Extra

Learn different engineering concepts and have fun doing it.

## Short Story - Tall Tale

Learn how to write short stories and tales.

## Studio Productions - iMAC Movie

Youth will take their Rock Band song and create their own music video.

## Artful Artisans

Youth will learn basic photography techniques with a chance to visit a local photographers studio.

## Military History - The Second World War

Learn about various aspects of the Second World War.

## SAC Youth Parents

**Don't forget to use your 4 free hours for a savings on any activity .**

## What are the fees?

Youth in grades 6-12 are free.

Youth in grades 1-5 will charged a fee of \$40-60.00 for any particular activity. Use your 4 free Recreation hours for a substantial savings.

## Where do you register?

With Parent Central Services at Bldg 742 in Benjamin Franklin Village (Just after the Health Clinic) or at your local child care center.
